

## PTO Agenda May 7th , 2019

### Old Business:

- 1) Popcorn Poppers-Renee Schradle and Comp Systems
- 2) \$10,000 out of funds for playground equipment \$5,000 to be used at both schools.
- 3) T-shirts were ordered for ALL STAFF at both schools, added Bus Drivers and Super Intendant as well.
- 4) Keurig, water packets and pop was purchased and delivered Monday morning for all staff at both schools \$109.00

### New Business:

- 1) Budget:-Marcia
- 2) Teachers requested we help pay for the differenc of Muffins from what they need and Hyvee donated for Muffins with Moms and then also 7 doz. Donuts for donuts with Dads. Email was sent out and approved.
- 3) Needing an idea for a summer or before school get together-meal provided to try to get parents to attend fist PTO meeting, will have a brief meeting about field trips etc..would like to send something home on PAPER to tell parents about it. I know Tuesdays are going to get rough on a few of us having older kids in sports-is a Wed. night 5-5:45 doable?? Do we have pizza to feed the fams before church night?
- 4) Schedule-I would like to propose the idea of having a schedule to give each grade level to divy out between the classes for volunteer opportunities, such as popcorn Fridays, making food on conf. days, maybe daycare during PTO meeting, and signing up for PTO meetings?? I would like teacher feed back if they want yet another thing on their plate. It would just be this sheet and then the sheets would be given back to me, and I would send out reminders...so just a one time handling fee;)
- 5) Any more End of school or Back to school items??
